December 15, 1964

Mr. and Mrs. James R. Hoffa
2741 Trumbull
Detroit 16, Michigan

Dear Jim and wife:

Another Yule Season approaches and by a great stroke of strategy the War on Poverty is almost over. Congressmen readily enlisted, passed their fiscale 100 per cent, then raised their wages 30 per cent. Presto, now we have prosperity and peace amidst protocol, alcohol and Geritol in the City bureauful, where moderation in an attack on extremism is no virtue. And so if the Republicans hope to get their money back, they will have to go along with pensions and Medicare, for the Dove of Peace is not going to lay an egg on the Hill for a long time -- that is, unless the Bakery gets too hot for the Great Society.

One letter a year to a friend far or near is a slender thread upon which to sustain a friendship, but if waxed with good will it should suffice. The immutable fact is, civilization is based upon collective and individual friendship; it would perish without it, its perpetuity depends upon it. Could it be universally accepted, then truly the Yuletide spirit would be achieved -- it has dwelled in the hearts of men of good will all through the ages, as the only cement that would hold the world together.

Albeit, labor omnia vincit, I again send the both of ye my greetings and best wishes for a Merry Christmas and a Happy New Year.

Yours hopefully,

CLARENCE BECK

Mr. James Hoffa
President
Brotherhood of Teamsters
25 Louisiana Ave
Washington 1, D.C.

Dear Mr. Hoffa:

Please find enclosed several samples of our "Goodway Records".

As you can rwadily see, this type of record is designed to be inserted into magazine publications much the same as your "Teamster".

It is our thinking that perhaps this item would possibly be a unique and forcefull means of presenting your end-of-the-year or Prwaident's Christmas message to your membership. Time allotment on a size per the enclosed is roughly four and one-half minutes and by playing this sample, we believe you will find the voice tone quite remarkable. Perry Como and Dinah Shore are on this reproduction. It plays at 33 1/3 speed and please be sure that the back surface is against the rough surface of the record player disc. If placed on top a regular record it may tend to slip.

We have full recording facilities here in New York or we can make a tape recording in your offices in Washington and reproduce from it. We can print both side of the sheet with any copy your people may indicate including photographs, if desired.

Price would run roughly 8¢ each in your million and a half quantity pending firm design requisites; and we would work very closely with your "Teamster" editors.

We are not approaching any other Union officers with this proposal and would provide you with exclusive use for this year, hence we would appreciate your comments relative to our suggestions.

If we have managed to instill a spark of interest, the writer would be happy to drop by your office and further illustrate our ideas. A call to the above number or a letter can accomplish this.

Needless to say, we shall provide the union "bug", if desired.

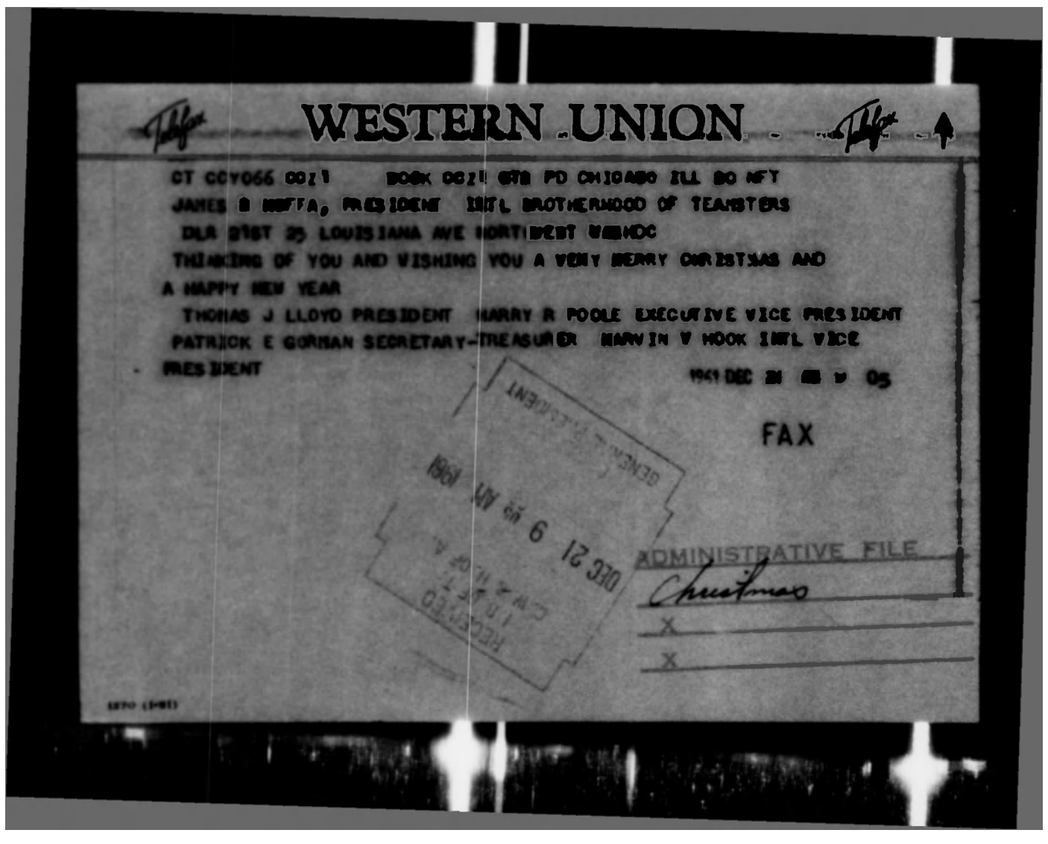

Many thanks Jim, for your kind consideration, we look forward to the favor of your reply.

Cordially yours,

Joseph B. Davis
Sales Manager

Miss Bernice Hefner
Int'l Brotherhood of Teamsters
25 Louisiana Avenue
Washington, D. C.

Dear Miss Hefner:

The Christmas season, with all its warmth and excitement, brings pause for reflection on the true meaning of Christmas. We think of Peace and Goodwill toward all men, and are reminded of the friendship we have enjoyed during the year.

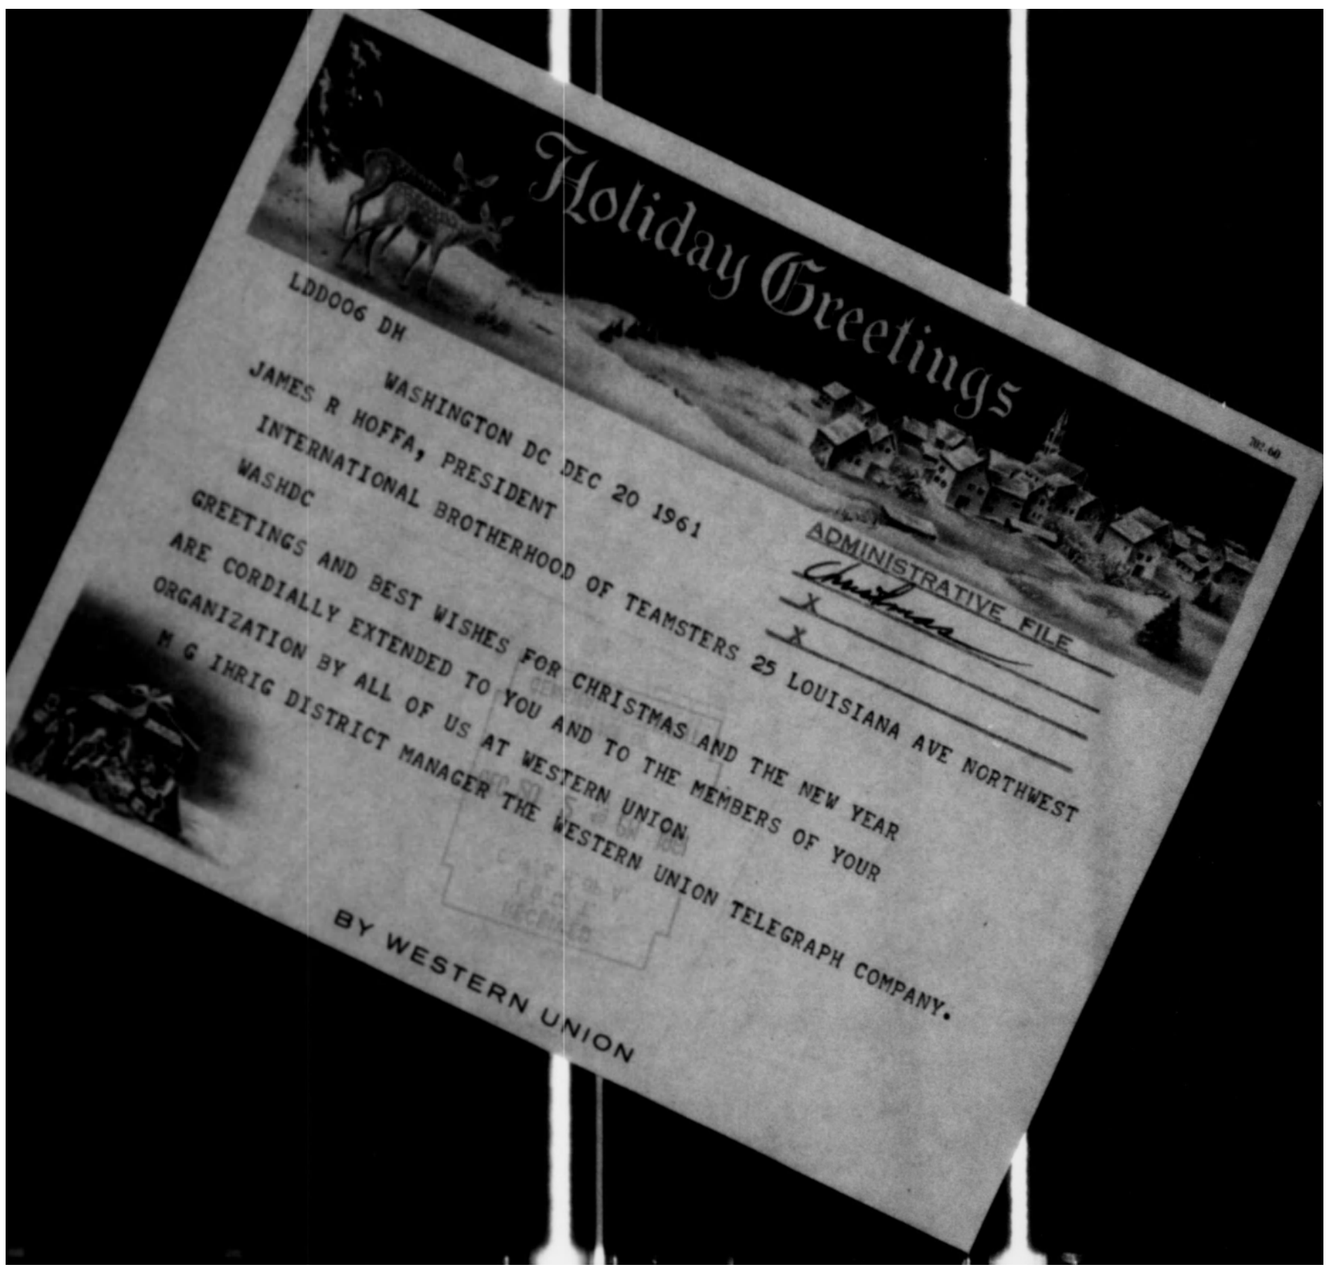

In the past we have acknowledged our friendship with traditional Christmas cards. At times we have wondered if these cards really expressed our personal appreciation of our pleasant friendship.

That's why we're writing this letter -- instead of sending our usual Christmas card.

We would like to thank you for your friendship. We would like to thank you for your loyalty. And we would like to tell you how much we have enjoyed doing business with you in 1961.

May your Christmas be merry, and your New Year happy and prosperous.

Ronald Maisher
